Large displays for great response

GREAT IDEA! WE MAKE IT HAPPEN

You want to advertise in an impressive way? You want to show everyone that you believe in what you do?
With our stunning LED solutions it is no problem at all.

Since November 2020 Sharp NEC Display Solutions Europe GmbH – LED Solutions Center is the new company name of the former S[quadrat] GmbH, which has successfully realized hundreds of LED projects around the globe in the past 16 years. Now we distinguish ourselves by service, knowledge, quality and reliability of our display solutions.

Bring your ideas to life with us, we are there for you from the first planning step.

SIX-POINT SERVICE

1

CONSULTING

Do you have a rough idea of what your project should look and work like?
We have the expertise to implement it.
We are happy to advise you in detail and take over the planning for your project.

2

DESIGN

Our engineers create a detailed plan, calculate the statics and select the ideal LED modules for your project.

3

PRODUCTION

Every project requires a customized solution. This applies to displays as well as the associated brackets and substructures.
We produce all the components ourselves, to make sure that everything fits perfectly in the end.

DEVELOPMENT

Our in-house R&D unit is constantly developing new products and optimizing existing systems. Therefore, we can continuously expand our technical lead and find new display solutions.

**DEVELOPED

Did we raise
your interest?

Please send us an email
or give us a call.
We are looking forward
to get in contact
with you.

4

CONSTRUCTION

The most important factor for a smooth project are our professional engineers on site. Their knowledge and flexibility ensure you have the best possible performance, on-time.

5

TRAINING

Our trainers are real experts. They pass on their knowledge relating to your display system to those who will be supporting the system after installation. In turn they become experts.

6

AFTER-SALES SERVICE

After the project, you can rely on us just as much as during the project. Whenever you need us, we will immediately be there and solve the problem – this is a promise!

A new level
of attention

MWV Energie AG,
Mannheim / Germany

ADVERTISING OUTDOOR DISPLAYS

Advertising messages should be more than BIG, they should also be GREAT. Our advertising outdoor displays offer you the opportunity to show targeted content to a wide audience as they attract the eye with the quality of the image and demand attention. In any highly frequented location a static image digital display or, where permitted, a multimedia format content is shown outdoor displays ensure a positive reaction.
